

## 35<sup>th</sup> Annual BMCA Conference PRESENTER FAQs

Welcome to BMCA's 2022 Conference and thank you for presenting!!!  
We look forward to a successful international somatic conference.  
Below please find  
important information and protocols going forward.

THE CONFERENCE IS FIVE DAYS IN LENGTH for all registrants.  
(There will be no pre- or post-workshops as in the past.)

**Conference begins at  
1:00 pm EST, Wednesday, June 22, 2022,  
and concludes 1:30 pm EST, Sunday June 26, 2022**

**Invited Presenters:  
Bonnie Bainbridge Cohen  
Bebe Miller**

All current information regarding the conference will be posted & updated on the  
BMCA Conference Page

for

Presenter Roster, Program, Presenter Biographies, Presenter FAQ's, Fees, How to Register,  
Accommodations & Dining, Travel & Parking, Silent Auction, Denison Information & Map, BMCA  
Credits, Volunteers

**All Presenters Must REGISTER by February 28, 2022**

Registration fees allow access to the five day conference (whether remote or on site) plus  
recordings of sessions for 90 days. All fees support conference production and the Body-Mind  
Centering® Association.

QUESTIONS? CONCERNS? EMAIL [presenters@bmcassociation.org](mailto:presenters@bmcassociation.org)

### PRIOR TO THE CONFERENCE:

**COVID-19 Policy and Protocol: All on site registrants will be assigned single rooms.** All on site presenters and registrants and staff will be required to provide proof of vaccination, and wear masks at all times on campus. Free rapid Covid tests will be available at registration and throughout the conference. There will be more specificity closer to the conference.

### PREPARATION PRIOR TO THE CONFERENCE:

**PRESENTATION LENGTH:** All presentations/workshops/practices/panels are one hour in length, plus an additional 15 minutes for discussion, or Q & A. The schedule allows for transition time between workshops: PLEASE BE RESPECTFUL OF THE NEXT PRESENTER AND CONFERENCE BREAKS BY ENDING ON TIME. BMCA asks that the entire hour be devoted to content and that presenters avoid time spent on introductions and participant greetings. (All bios are posted in conference literature)

**IF PRESENTING REMOTELY,** Your zoom host will contact you in May & June discuss/design/practice your presentation, its format, agenda, and production elements. Please provide the illustrations and videos you intend to share on the screen with your zoom host in the planning process.

**IF PRESENTING ON-SITE AT DENISON,** Email any unique space, prop, or technology needs that were not provided in your proposal to [presenters@bmcassociation.org](mailto:presenters@bmcassociation.org) by **March 30, 2022**. Please bring teaching aids (images, videos, PowerPoint presentations, music) more than one format: laptop, flash drive, emailed content to self, playlist, emails on phone, hard copy (at least 25.) No in-person or remote presentation time will be spent on introductions or participant greetings. BMCA asks that the entire hour will be devoted to content. (All bios are posted in conference literature.)

**REGISTRATION: All presenters and co-presenters must register by February 28, 2022.** Registration fees support the conference and BMCA and are **NON-REFUNDABLE**. Pay from the Heart will be available for those with fiscal challenges. Denison will offer very affordable room and board for those on-site. Presenters who attend the conference are responsible for their transportation to and from Denison University.

**CO-PRESENTERS:** Multiple presenters can participate from any location. A single offering can be executed from variable locations: on-site at Denison University, remote from anywhere in the world simultaneously.

**PRESENTERS WHO ARE UNDECIDED ABOUT ATTENDING IN PERSON:**

Registration fees for in person and remote participation are identical, so all are asked to register by the presenter deadline (**February 28, 2022**).

If you register to present remotely and decide to attend in person, contact the following :

[presenters@bmcassociation.org](mailto:presenters@bmcassociation.org) to ask that the program be altered to reflect the change and [admin@bmcassociation.org](mailto:admin@bmcassociation.org) to arrange for accommodations on campus.

**AT THE CONFERENCE:**

**ON-SITE PRESENTERS:** You will be assigned a presenter facilitator who will also be your zoom host for remote participants. Prior to your session, please check the technology (stereo, projector, etc as needed) and prop availability in the room you will be using, and contact your host if you need support. Your zoom host will meet you in your presentation room 15 minutes before your session start time.

### PREPARATION FOR YOUR PRESENTATION AT THE CONFERENCE:

**COPYRIGHT RULES:** All presenters have agreed to secure copyright permission for sourced content of any kind. Presenters seeking copyright-free anatomical images or music can consult the following websites:
